Part No.	Year	Description
470-1510	1931-33	Front Bumper Brace
470-1515	1931-32	Rear 2 pc. Bumperette Style—4 pc. Brace Set
470-1525	1931-32	Rear Full Length—Bumper Brace

470-1522-SR

470-1522-SR	1934-35	Standard Front Bumper Brace, pair, Plain, locates bumper closer to body
470-1522-SS-SR	1934-35	Standard Front Bumper Brace, pair, Polished Stainless, locates bumper closer to body

470-1526-SR

470-1526-SR		R.V.A. Special Rear Bumper Brace, pair, Plain, locates bumper closer to body
470-1526-SS-SR		R.V.A. Special Rear Bumper Brace, pair, Polished Stainless, locates bumper closer to body

These must be used with our part 470-1045-SS-SR & 470-1045-CH-SR "R.V.A. Special rear bumper." Fits 1933-34 all, and 1935 standard rear. This special bumper is straight which eliminates the spare tire hump. This works for cars not using a rear mounted spare, and brings the bumper closer to the body.
