470-1070-SR

STAINLESS "SMOOTH" BUMPERS FOR CHEVROLET

With Street Rodders in mind. We have removed the center grooves and the bumper bolt holes. We have put stainless studs on the back side. The polished finish goes very well with the new smooth look.

Part No.	Year	
470-1032-SR	1935-36	Master, smooth front bumper, stud mount, Polished Stainless. These fit original braces, but appear different than original bumper. Intended for street rods.
470-1046-SR	1935-36	Master, smooth rear bumper, stud mount, Polished Stainless. These fit original braces, but appear different than original bumper. Intended for street rods.
470-1064-SR	1937	Master Deluxe, smooth front-rear bumper, stud mount, Polished Stainless. These fit original braces, but appear different than original bumper. Intended for street rods.
470-1070-SR	1938-39	Smooth Polished Stainless, front or rear
470-1080-SR	1940	Passenger & Pickup Smooth Polished Stainless, front or rear
